## Welcome to Hobby-X 2026!

As Show Director, it's a pleasure to welcome you to Hobby-X which has brought together a vibrant and passionate community of makers, artists, and enthusiasts for 28 years.

From the moment you step in, you'll discover a world of inspiration. Whether you're a seasoned creator, an aspiring hobbyist, or simply curious to try something new, Hobby-X offers an unmatched showcase of materials, tools, techniques, and trends across a wide spectrum of creative pursuits. This is your space to explore, experiment, and express yourself.

At the heart of Hobby-X is the belief that creativity lives everywhere — and this year's theme of **The Great Escape** is built on the pillars of **Create your Escape, Discover your Passion, and Freedom Without Limits** sets you free to explore your hobbies with purpose.

Do not miss out on **The Pit Lane** — an exciting, hands-on zone dedicated to action-packed hobbies and immersive discovery. From remote-controlled cars and woodworking, classic cars, gaming simulators, kids zone and even craft brewing, it's a playground for curious minds and the practically minded.

For those looking to learn and grow, our workshop programme is not to be missed. This year, we're also proud to introduce **The Great PNA Create Workshops** — expert-led, hands-on sessions designed to help you refine your skills or dive into something completely new.

I hope Hobby-X leaves you inspired, energised, and ready to create something extraordinary.

Yours in Hobbies and Crafts
